

## **CURRICULUM VITAE**

### **Dr Mehool A Patel, USA**

Dr. Mehool Patel is an Associate Chief Medical Officer with IBM Watson Health Oncology and Genomics. Previously, he worked as a Clinical Adoption Specialist for IBM Watson Health. He is a board-certified medical oncologist and hematologist and practiced at Summa Health System in the United States for 15 years prior to joining IBM.

Today, Dr. Patel is here to present applications of Artificial Intelligence (AI) in oncology care developed by IBM and partnered with a leading US cancer hospital Memorial-Sloan Kettering (MSK).
