

CURRICULUM VITAE

Ms Doreen Tan, Singapore

Ms Doreen Tan graduated from National University of Singapore with a Degree in BSc (Microbiology) in 2000 and started off her career in the healthcare industry. In 2006, Doreen obtained her Diploma in Nursing (Accelerated) at Nanyang Polytechnic and begun her role as a Registered Nurse in St. Luke's Hospital, a private community rehabilitative hospital which provides step-down care.

In February 2010, Doreen joined Can-Care as Assistant Patient Care Manager. Her duties include patient care and services; fitting of breast forms, mastectomy bras, wigs and related products. She also does trainings for nurses and healthcare personals as well as patient education.

For the past 8 years, Doreen has been participating as a Committee Member of Look Good Feel Better under the Singapore Cancer Society and has conducted workshops at various hospitals in Singapore for cancer patients.
