

CURRICULUM VITAE

Dr Michael Chao, Australia

Michael is a radiation oncologist specialising in breast and prostate cancers. He has over 21 years of experience as a radiation oncologist. Michael completed his MBBS at Monash University in 1991 graduating with honours. He won the Jean C. Tolhurst Prize. He then completed 6 years of postgraduate training at the Repatriation Hospital and Peter MacCallum Cancer Centre as a resident and registrar specialising in Radiation Oncology. He received his Fellowship of the Royal Australian and New Zealand College of Radiologists (FRANZCR) in 1999. He is an academic senior lecturer at the Austin Repatriation Hospital (Olivia Newton John Cancer and Wellness Centre) and at Genesis Care Victoria. He has recently submitted his thesis for his Doctor of Medical Science with the University of Melbourne. Michael is a member of the American and European Society of Therapeutic Radiology and Oncology, American Society of Clinical Oncology, American Brachytherapy Society and Australasian Brachytherapy Group. He has published widely on a range of subjects in radiation oncology with over 90 peer reviewed articles and abstracts. He is involved in clinical trials and currently has a number of ongoing studies in prostate and breast cancer.
